

Smart urban delivery Madrid micro-depot

Five micro-depots in Madrid meet the needs of urban customers for sustainable and hassle-free last mile delivery.

- 14.5 tons*

8,144 km covered by alternative fleet rather than conventional vans

Alternative fleet
6 electric bikes replacing 3 to 4 vans

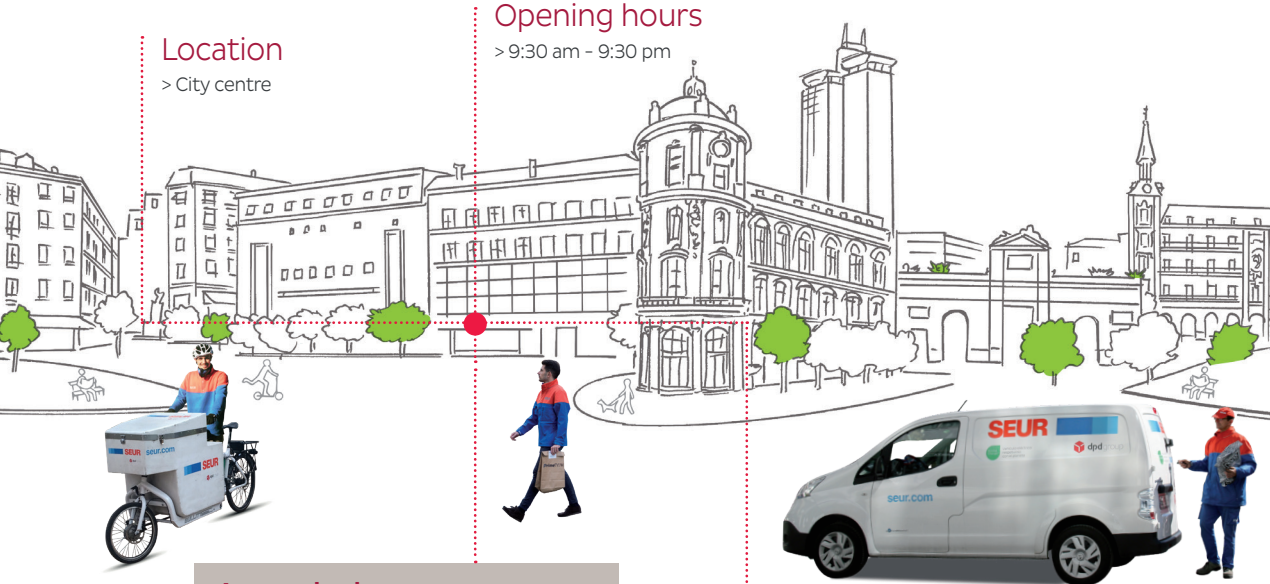

*reduction in CO₂ footprint over one full year

Location

> City centre

Opening hours

> 9:30 am - 9:30 pm

Awarded «Best Ideas of the Year»

Award for its investment in micro-depots and sustainability

Innovative service

> Urban customers benefit from a 1- hour time window for being delivered, given the proximity of the micro-depots
