

Smart urban delivery in London

The UK's most sustainable parcel delivery company.

Central location

> Urban depots strategically placed in central London including Westminster and Shoreditch

All-electric

> The Westminster urban depot was the UK's first all-electric parcel depot and has redefined the urban delivery landscape

Objective

> Deliver by the end of 2020 over 10 million parcels on DPD's clean green fleet

6.5 M

emission-free parcels saving over 2.8 million kilograms of CO₂

700

all-electric vehicles operate across the UK

+561 since 2019

Now 10% of DPD's entire delivery fleet throughout the UK is all-electric

6,000

daily parcel capacity in the 2 depots
