

Declaration of the type of customs clearance / WSK (ver. 2.1.1)

Dear Customers,

in order to ensure the smooth handling of goods with a small value (i.e. not exceeding the equivalent of EUR 1,000 per consignment), we offer you an option of submitting a **collective customs declaration** using a single SAD form. This type of customs clearance is recommended for the export of goods delivered free of charge (gifts, samples, specimens, etc.). If this form of customs clearance is selected, the exporter will not receive an CC599C message entitling them to charge a 0% VAT rate.

If you wish to receive an CC599C message or if the value of the goods exceeds EUR 1,000, please use **individual** clearance.
