

# Important information about the coronavirus: international exclusion zones

## DPD EXPRESS

As of: 19 Mai 2022

### A) EU shipping

The service in the EU is still available. Please note, however, that there may be delays in delivery times due to local restrictions in individual countries. Please also note that shipments to public authorities and buildings as well as companies and retail/shopping centres may not be delivered as a result of them being closed. Please check with your consignee about local conditions.

### B) Worldwide shipping

#### Africa / Middle East

Due to suspended flights and alternative routing, there may currently be delays in delivery times to all those countries in the region where the service has not been suspended.

#### America / Caribbean

Due to suspended flights and alternative routing, there may currently be delays in delivery times to all those countries in the region where the service has not been suspended.

#### Asia / Pacific

Due to suspended flights and alternative routing, there may currently be delays in delivery times to all those countries in the region where the service has not been suspended.

- **China**

Due to Covid-19 measures, collection and delivery are suspended until further notice in the following cities and postcodes:
